**Business**

Minutes May 26, 2020: The May 26, 2020 minutes stand as presented.

Financials: May pledge and plate is over by \$7,000 for the month. May expenses are not available at this time. Kim and Rachel attended a webinar on the PPP loan. Trinity may not have to repay any of the loan.

Additions to the Agenda: None.

**Discussion (Transition to Reopening the Building)**

Moving from Season 1 to the Future: We started by reviewing page 3 in the *Guide for Reflection and Planning*: #4) Lisa checks the COVID19 numbers for Weld County that are posted on a daily basis. Today there are 11 cases. Wide spread testing is not available. #5) A survey for parishioners will be sent out. #6) Services are going well. Giving for the month of May is up. We long to see people, see our friends, give hugs, receive the Eucharist. We can see people via technology. Opening Church office: Edith is happy to return, will wear a mask; need to make office one-way traffic. Karoline wants to stay home and work. Rachel has enjoyed working from home, and is happy to return when she is needed. Lisa is ready to get back to the office. Staff can social-distance in the office. There was a long discussion about our comfort level in coming back to the building.

Parish Survey: We should ask how their virtual experience can be improved. Should anything be added to the survey? The survey will be sent out this week, with a response deadline of Sunday.
